Dated 20/8/16

**STRUCTURAL SAFETY CERTIFICATE**

(Union Ministry of Urban Development S.O. 248(E); S.O. 730 & S.O. 917(I))

Reference to Property/ Building: Goldfield Public School, Sector-21-A, Faridabad, Haryana.  
Bureau of Indian Standard: IS: 13920-1993 & IS: 13828-1993.

The building named above was inspected on August 20, 2016 along with its drawings, design specifications and sequence of construction etc. along with owner's representative. The building construction was completed in the year 2000.

Certified that the building has been constructed in accordance with the building plan and satisfy the structural safety requirements stipulated and informed given therein; is factually correct to the best of my knowledge and understanding.

It is also certified that the structural design include safety from natural hazard based on conditions, has been duly incorporated in the design of the building and these provisions had been adhered to during the construction of the building.

It is further certified that water harvesting as well as waste water re-cycling system have been provided as per building plan.
